

Fall Parent Workshops

September 26th: Matrix of Services – 9AM-12PM

This course enables parents to develop and increase knowledge about the Matrix of Services. Content and activities examine the requirements for matrix completion and provide the opportunity to review sample completed matrices for students with disabilities. The course identifies how student educational needs and services impact the matrix funding document. <https://www.eventbrite.com/e/matrix-of-services-for-parents-tickets-69768532559>

September 30th: Facilitated IEP 9 AM-12PM

Parents will learn how a successful IEP meeting is conducted and how competing interests of all stakeholders can be managed to meet mutually desired outcomes that are in the best interest of the student. <https://www.eventbrite.com/e/facilitated-individual-education-plan-fiep-for-parents-tickets-69770937753>

October 10th: Understanding Your Child's IEP

What is an Individualized Education Plan (IEP)? Take a guided tour through the IEP process. Gain knowledge of Individuals with Disabilities Education Act (IDEA). Learn about items that should be discussed at an IEP meeting and more. <https://www.eventbrite.com/e/facilitated-individual-education-plan-fiep-for-parents-tickets-69770937753>

October 23rd: Quality Individualized Education Plan Learn how a quality Individualized Educational Plan is written to include state standards, meet compliance requirements and meet individual student needs. <https://www.eventbrite.com/e/quality-individualized-education-plan-qiep-tickets-69772699021>
